

## What the Community and Partner Relations Team can do for you!

All of what the Community and Partner Relations Team has to offer is available at no cost to you. Our job is to ensure you have the resources to share the benefits of membership with your staff, volunteers and students. Whether you are a president, director, coordinator, manager or principal, The Community and Partner Relations Team is your personal link to County Federal.

### Provide Supplies

Whether you want a guide containing all the benefits of membership, a brochure rack or a payroll insert about a specific product or service, we can provide you with a free supply! View and order some of our most popular supplies on the [Order Supplies](#) page. Contact us for more information and other available supplies such as pens and goodie bags.

### On-Site Visits

A County Federal representative will come to your location and be available to provide information, answer questions, do simple transactions and establish new memberships. On average, an on-site visit lasts no more than two hours depending on the size of your group and hours of operation. Contact us for more details.

### Financial Seminar

As one of the most valuable membership benefits, County Federal hosts several financial seminars throughout the year at the Member Center. As our Ambassador, you have the option of bringing a financial seminar to your location. Contact us for more details and a complete list of available topics.

### Classroom Presentations

Coming Soon!

Contact the Community and Partner Relations Team today for more details about how we can bring the benefits of membership to your co-workers, volunteers and students, while making your event more fun, interactive and rewarding!
