<sup>1</sup> This is a variable rate account. The dividend rates and APY may change monthly. There are no limitations on the amount the dividend rate may change. Minimum Opening Balance and Minimum Earning Balance represent the minimum deposit balance required to earn the corresponding stated dividend rate. Should the deposit balance move from one tier to another, the corresponding stated dividend rates of those given tiers will be applied to calculate the dividends paid using the average daily balance method. Dividends will be compounded monthly and credited monthly. Money Market Accounts may be subject to fees and charges. Your savings federally insured to at least \$250,000 by the National Credit Union Share Insurance Fund, administered by the NCUA and backed by the full faith and credit of the United States Government, National Credit Union Administration, a U.S. Government Agency.

This Dividend Rate Schedule discloses rates applicable to all share deposit accounts offered by Santa Clara County Federal Credit Union. Supplied as a supplement to the Truth-in-Savings Disclosure, it reflects updates regarding minimum par values as well as minimum dividend earning balances associated with the deposit account types listed. For the purpose of this disclosure, the dividend rate and annual percentage stated for the term accounts listed were offered within the most recent seven calendar days and were accurate as of the above date. Fees may reduce the earnings on the account if there are maintenance or activity fees associated with the account. A penalty may be imposed for early withdrawal. Your savings federally insured to at least \$250,000 and backed by the full faith and credit of the United States Government, National Credit Union Administration, a U.S. Government Agency. Please call (408) 282-0700 to obtain the most current rate information.
