2015 Back to School Drive

Santa Clara County Federal Credit Union (County Federal), San José CA.,

County Federal is pleased to announce it has reached its goal of collecting over 200 backpacks for Family Giving Trees Back to School Drive during the period of June 23 to July 28. Over 20 County Federal staff members, families and friends donated their personal time to help sort and package backpacks given to children. In addition, County Federal also donated a \$2000 check with Enterprise.

Family Giving Tree's Back to School Drive collects donated backpacks filled with much-needed school supplies for low-income and at-risk children in Santa Clara County. County Federal has been able to give back to their community through their continued support of organizations, such as the Family Giving Tree.

County Federal would like to thank our members and staff for their generosity and kindness during the 2015 Back to School Drive.
