THE USA PATRIOT ACT

The USA Patriot Act requires credit unions to take extra security precautions to help the government fight the funding of terrorism and money laundering activities. Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. These procedures are designed to prevent crimes, such as identity theft and account fraud that terrorists commit to finance their operations against the U.S. and its citizens.

When an account is opened or changes, you will be asked for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying government issued documents. The definition of an account covers a broad range of regular financial transactions such as deposit, transaction, asset, or credit accounts or other extension of credit. The required verifications may be inconvenient for some but a strong deterrent for terrorists and other criminals.

You can rest assured that we will only request the information required by law and that we will use the information only for purposes of complying with the law. Your privacy is our top concern, and we will respect and protect it as always, consistent with the law's requirements.
GENERAL INFORMATION ABOUT ALL OF OUR ACCOUNTS

Par Value
The par value of a share in Santa Clara County Federal Credit Union is $25.

Accrual of Dividends
Dividends begin to accrue on the business day you deposit cash or non-cash items (e.g., checks) to your account if deposited before close of business.

Dividend Rates
The initial dividend rate and Annual Percentage Yield on our share, checking and share certificate accounts are stated on the Rate Schedule accompanying this Disclosure. Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period.

Rate Enhancements
The Gets Better Option of our Relationship Rewards Program provides dividend rate and annual percentage yield (APY) enhancements on designated accounts during each monthly or quarterly dividend period in which your aggregate loan activity and/or account balances, or a combination of products qualify you for Gets Better benefits. The Credit Union's current Dividend Rate Schedule will state which account types qualify for dividend rate and APY enhancements and the amount of the enhancements. The Credit Union can change designated accounts and enhancements at any time at its sole discretion.

Balance Information
We compute the balance in our share, checking and share certificate accounts to determine the dividends you will be paid by using the daily balance method which applies a daily periodic rate to the balance in your account each day.

Bylaw Requirements
The maximum amount of shares which may be held by any one member shall be established from time to time by resolution of the Board of Directors. A member who fails to complete payment of one share within 3 months of his admission to membership, or within 3 months from the increase in the par value of shares, or a member who reduces his share balance below the par value of one share and does not increase the balance to at least the par value of one share within 3 months of the reduction, may be terminated from membership at the end of a dividend period.

Shares may be transferred only from one member to another, by written instrument in such forms as the Credit Union may prescribe. The Credit Union reserves the right, at any time, to require members...
to give, in writing, not less than 7 days and not more than 60 days notice of intention to withdraw the whole or any part of the amounts so paid in by them.

No member may withdraw shareholdings that are pledged as required for security on loans without the written approval of the credit committee or a loan officer, except to the extent that such shares exceed the member’s total primary and contingent liability to the Credit Union. No member may withdraw any shareholdings below the member’s total primary or contingent liability to the Credit Union if he/she is delinquent as a borrower, or if borrowers for whom he/she is comaker, endorser, or guarantor are delinquent, without the written consent of the credit committee or loan officer.

Requirements to Maintain a Regular Savings Account

All members and other parties to County Federal accounts and loans (all called “members” in this provision) must abide by the Member Conduct Policy.

Members are entitled to courteous, accurate and prompt service from County Federal.

The Member Conduct Policy requires members to conduct business with the County Federal in a civil and businesslike way. County Federal will not tolerate verbal or physical harassment or abuse, disruptive behavior, violence or threats of violence. Persons who appear to be under the influence of intoxicating substances or persons carrying weapons are not permitted on County Federal premises at any time.

In addition, County Federal may take any other lawful action deemed necessary under the circumstances. County Federal may seek a judicial restraining order if in its judgment it is necessary for the protection of any County Federal employee or volunteer. If such an order is obtained, the member against whom the order is obtained agrees to pay reasonable attorney’s fees and costs, which will bear interest at the legal rate.

If you believe your ATM Check Card and/or PIN has been lost or stolen, or that someone has transferred or may transfer money from your account without your permission, call us at (408) 282-0700 or write to us at 1641 N. First Street, San Jose, California 95112.

Business Days
Our business days are Monday through Friday, excluding holidays.

Our Liability for Failure to Make Transfers
If we do not complete a transaction to or from your share or checking account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will NOT be liable, for instance, if:

a) through no fault of ours, you do not have enough money in your account to make the transaction;
b) the transaction would go over the credit limit on your credit line;
c) the terminal where you were making the transaction did not have enough cash;
d) the ATM or network system was not working properly and you were aware of the malfunction when you started the transaction;
e) circumstances beyond our control (such as fire, flood, power failure, or computer down-time) prevented the transaction, despite reasonable precautions that we have taken;
f) the money in your account is subject to an uncollected funds hold, legal process or any other encumbrance or agreement restricting a transaction;
g) your ATM Check Card has expired, is damaged so that the terminal cannot read the encoding strip, is inactive or because your PIN has been entered incorrectly;
h) your ATM Check Card or PIN has been reported lost or stolen and we have blocked the account; or
i) the failure to complete the transaction is done to protect the integrity of the system or to protect the security of your account. There may be other exceptions not specifically mentioned above.

In Case of Errors or Questions About Your Electronic Transfers

Call us at (408) 282-0700 or write to us at 1641 N. First Street, San Jose, California 95112 as soon as you can, if you believe there was an error or incorrect information reflecting on your statement. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will inform you the results of our investigation with 10* business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45** days to investigate your complaint or question. If we decide to do this, we will credit your account within 10* business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. (If the error you assert is an unauthorized Visa transaction, other than a cash disbursement at an ATM, we will credit your account within 5 business days unless we determine that the circumstances or your account history warrant a delay, in which case you will receive credit within 10 business days.) If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

If we decide that there was no error, we will send you a written explanation within three business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.

* If you give notice of an error within 30 days after you make the first deposit to your account, we will have 20 business days instead of 10 business days.

** If you give notice of an error within 30 days after you make the first deposit to your account, notice of an error involving a point of sale transaction, or notice of an error involving a transaction initiated outside the U.S. its possessions and territories, we will have 90 days instead of 45 days to investigate.

If any change results in greater cost or liability to you or decreases access to your Accounts, you will be given at least twenty-one (21) days prior notice of the change. Prior
notice may not be given where an immediate change in terms or conditions is necessary to maintain the integrity of the system and/or the security of ATM Cards, POS Cards or designated accounts.

**Termination**

You may terminate this Agreement with us at any time. The Credit Union reserves the right to terminate this Agreement and/or your use of your ATM Check Card or PIN with or without cause. We may do so immediately if:

a) you or any authorized user of your ATM Check Card, PIN or account breaches this or any other agreement with the Credit Union;

**Waiver of Rights**

The Credit Union can delay enforcing any of the provisions under this Agreement or the law any number of times without losing its right to enforce them at a later date.

**Other Agreements**

Except as stated otherwise in the Agreement, this Agreement does not alter or amend any of the terms or conditions of any other agreement you may have with the Credit Union.

**Severability**

In any part of this Agreement should be held to be unenforceable, the remaining provisions of this Agreement shall remain in full force and effect.

**Who is Bound by this Agreement**

Each person who signs the Application agrees to be bound by the terms and conditions of this Agreement. If more than one person signs the application, all signers are jointly and severally liable. The Credit Union can waive or delay enforcement of its rights as to one signer without affecting its ability to enforce its rights as to the other signers. The Agreement is also binding upon your heirs, personal representatives and successors.

**Signatures**

By using your access to the system, or authorizing anyone else to use your access to the system, and/or by signing the application, you agree to be bound by the terms and conditions of this Agreement and Disclosure.

**Rules for Use**

By using your ATM Check Card with your personal identification number(PIN) at automated teller machines (“ATM’s”) or other electronic terminals operated by a participating institution, network system, or company (collectively “terminals”), you authorize us to effect the transactions from or to your share or checking account(s) in accordance with the instructions given at the terminals. All ATM Check Card transactions are subject to the terms and conditions of your account agreements with us governing the affected accounts.

**Fees**

Fees may be imposed for initiating electronic fund transfers from an electronic terminal which is not operated by Santa Clara County Federal Credit Union.

**Transactions Available**

You may use your ATM Check Card to perform the following transactions:
• Obtain share or checking account balances;
• Make deposits to your share or checking account;
• Withdraw cash from your share or checking and loan account;
• Transfer funds between your share and checking and loan account; and
• Make point-of-sale payments for goods and services to others from your checking account.

Some of the transactions listed above may not be available at all terminals. All payments and deposits are subject to later verification by us.

Limitations on Transactions
You may make ATM cash withdrawals or POS transactions (limits are specified in the Relationship Rewards Program) from ATM’s each 24-hour period as long as your available balance will cover the transaction. You may make only 20 transactions within a 24-hour period for ATM and POS transactions combined. Various institutions which participate in networks of which the Credit Union is a member may have withdrawal limits different from the amount set forth herein. In the event that a specific ATM is so limited, you may not be able to withdraw more than the cash limit of that particular ATM.

Access Cards
All ATM Check Cards are non-transferable and belong to the Credit Union. The Credit Union may cancel, modify and restrict the use of any ATM Check Card upon proper notice or without notice if your account is overdrawn or where necessary to maintain or restore the security of accounts on the ATM system.

ATM Safety
An ATM provides a quick and convenient way to access your money. However, use caution and remember the following safety tips whenever you use an ATM:
• Be aware of the surroundings, particularly at night.
• Look for well-lighted ATM’s when transacting at night.
• If you notice anything suspicious when approaching the ATM, return later or use another ATM.
• Have your transaction ready before you go to the ATM. When you can, fill out any deposit envelopes before leaving your vehicle.
• Have your Card ready, to avoid going through your purse or searching through the contents of your wallet at the ATM site.
• If you notice anything suspicious while you are transacting business, immediately stop your transaction, put your Card away and leave.
• Consider having another person accompany you to the ATM.
• Immediately report all crimes to the ATM operator and to local law enforcement officials.
• Stand close to the ATM and away from others in line to avoid detection of your PIN or other account information.
• Put your cash away as soon as the transaction is complete; count the cash later in the safety of your vehicle or home.
• Never give information to strangers at the ATM or to anyone over the phone. Be aware of fraud or people who pose as Credit Union employees who try to get information from you. This information should only be discussed in person by you at the Credit Union.
• Remember to keep your PIN a secret. Make sure not to write it on your Card or anywhere else in your wallet; thieves can easily figure out the reason for “hidden” or “secret” numbers.

Issuance of Card
“Card” means the Santa Clara County Federal Credit Union VISA Check Card and any duplicates, renewals or substitutions the Credit Union issue to you; “Account” means the account designated on the application for your Check Card.

Responsibility for Transactions
You are responsible for all transactions you make with the Card or you authorize another person to make with the Card. You understand that if you disclose your Check Card PIN to anyone, they will have access to all accounts identified by your account number. If the
Account is a joint account, all transactions involving the account are binding on all Account holders.

Merchant Disputes
For POS transactions directly accessing a line of credit, the Credit Union is not responsible for the refusal of any merchant or financial institution to honor the card. The Credit Union is subject to claims and defenses (other than tort claims) arising out of goods or services you purchase with the card if you have made a good faith attempt but have been unable to obtain satisfaction from the merchant or service provider and (a) your purchase was made in response to an advertisement the Credit Union sent or participated in sending to you or (b) your purchase cost more than $50 and was made in your state or within 100 miles of your home.

Limitations on Dollar Amounts and Frequency of Transactions
Purchases made above the floor limit of the merchant will require an authorization number from VISA.

Use of the Visa Check Card
Personal Identification Number (PIN) based transactions – using your VISA Check Card with your PIN number.
- Withdraw funds from your Account at ATMs with participating networks displayed on the back of your card. Any such withdrawal will count towards your daily ATM limits based on your type of account.
- Transfer funds between your accounts that are linked to your card.
- Make deposits to your account at ATM's at participating network displayed on the back of your card.
- Make purchases using point of sale (POS) transactions at participating merchant terminals. This service may only be used on a card that is linked to a checking account. A POS transaction does not apply to savings or money market accounts.

Transactions conducted using a PIN number reflect an immediate withdrawal from your account.

Signature based transactions – using the CREDIT option and not using your PIN number.
- Purchases at merchants and other locations where the VISA logo is displayed or any participating merchant that honors the VISA Check Card.
- You have requested a person, merchant or organization to authorize a one-time or recurring payment to debit your checking account through the use of telephone, mail or internet access. If you authorize a recurring payment using your VISA Check Card, it will be your responsibility to notify the merchant or organization of any change that may occur relating to the card. (i.e. reissue new card with new expiration date or lost card).
- Withdraw funds at any participating financial institution where the VISA logo is displayed.

Transactions conducted using the credit option of the VISA Check Card functionality does not reflect an immediate posting or withdrawal from your account.

Some of these services may not be available at all terminals.

Use of the Card, the Account number on the Card, the PIN or any combination of the three for payments, purchases, or to obtain cash from merchants, financial institutions or other who honor VISA Check Cards is an order by you for the withdrawal of the amount of the Transaction from your Account. Each Transaction with the Card will be charged to your Account on the date the Transaction is posted to your Account. When the Credit Union receives notification of a Check Card transaction, it will put a hold on an equivalent amount of funds in your checking account for 3 days or until the day the transaction is charged to your account.

All Card transactions covered by this Agreement are subject to other terms and conditions of your Account agreements with us governing the affected Accounts, except as modified by this Agreement. Any future changes to your Account agreements may affect the use of the card.

Illegal Use of VISA Check Card
You agree that your VISA Check Card Account will not be used to make
or facilitate any transaction(s) that are or might be construed to be illegal pursuant to applicable law, rule or ordinance, including but not limited to gambling. Said use, including any such authorized use, will constitute an event of default under this Agreement. You agree that the Credit Union has no liability, responsibility or culpability whatsoever for any such use by you or any authorized user(s). You agree that you are responsible for repayment of any and all debts incurred for these transactions. You further agree to indemnify and hold the Credit Union harmless from any suits, liability, damages or adverse action of any kind that results directly or indirectly from such illegal use.

Overdrafts
You promise to pay the Credit Union immediately upon demand for any negative (overdraft) balance arising in your Account, unless you have available overdraft privileges. If you do not have overdraft privileges, the Credit Union may deduct the amount of any overdraft on your Account from any other account you have with the Credit Union, except an Individual Retirement Account.

Refusal to Honor Card
The Credit Union is not liable for the refusal or inability of any electronic terminal to honor the Card or to complete a withdrawal from your Account, or for their retention of the Card. The Credit Union is also not responsible for the refusal of any merchant or financial institution to honor the Card or for their retention of the Card.

Foreign Transactions
The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by VISA from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate VISA itself receives, or the government-mandated rate in effect for the applicable central processing date, plus 2 percent. Transactions that are initiated in foreign countries and foreign currencies will be charged to your Account in U.S. Dollars. The conversion rate to dollars will be (i) the wholesale market rate, or (ii) the government-mandated rate, whichever is applicable, in effect one (1) day prior to the processing date, increased by two percent (2%).

However, we will continue to notify you of the receipt of payments in the periodic statements we provide you.”

Credit given by us to you with respect to an automated clearing house credit entry is provisional until we receive final settlement for such entry through a Federal Reserve Bank. If we do not receive such final settlement, you are hereby notified and agree that we are entitled to are fund of the amount credited to you in connection with such entry, and the party making payment to you via such entry shall not be deemed to have paid you the amount of such entry.

Here’s how: Call us at (408) 282-0700 or write to us at 1641 N. First Street, San Jose, California 95112, in time for us to receive your request three business days or more before the payment is scheduled to be made. If you call we may also require you to put your request in writing and get it to us within 14 days after you call.

If these regular payments vary in amount, the person you are going to pay will tell you 10 days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would
fall outside certain limits that you set.

YOUR ABILITY TO WITHDRAW FUNDS

Our policy is to make funds from your deposits available to you on the
first business day after the day we receive your deposit. Electronic
direct deposits will be available on the day we receive the deposit.
Once they are available, you can withdraw the funds in cash and we
will use the funds to pay checks that you have written.

For determining the availability of your deposits, every day is a
business day, except Saturdays, Sundays, and federal holidays. If you
make a deposit before close of business on a business day that we are
open, we will consider that day to be the day of your deposit.
However, if you make a deposit after close of business or on a day we
are not open, we will consider that the deposit was made on the next
business day we are open.

Longer Delays May Apply
In some cases, we will not make all of the funds that you deposit by
check available to you on the first business day after the day of your
deposit. Depending on the type of check that you deposit, funds may
not be available until the second business day after the day of your
deposit. However, the first $200 of your deposits will be available on
the first business day.

If we are not going to make all of the funds from your deposit
available on the first business day, we will notify you at the time you
make your deposit. We will also tell you when the funds will be
available. If your deposit is not made directly to one of our employees,
or if we decide to take this action after you have left the premises, we
will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit immediately, you should ask
us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer
period under the following circumstances.
• We believe a check you deposit will not be paid.
• You deposit checks totaling more than $5,000 on any one day.
• You redeposit a check that has been returned unpaid.
• You have overdrawn your account repeatedly in the last six months.
• There is an emergency, such as failure of communications or computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. These funds will generally be available no later than the 7th business day after the day of your deposit.

Special Rules for New Accounts
Effective January 1, 2019, the Special Rules for New Accounts section on Page 18 of the Truth in Savings disclosure is amended as follows (changes in **bold**):

If you are a new member, the following special rules will apply during the first 30 days your account is open. Funds from deposits of cash, wire transfers, and the first $5,000 of a day’s total deposits of cashier’s, certified, teller’s, traveler’s, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. The excess over $5,000 will be available on the **seventh** business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first $5,000 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available on the **7th** business day after the day of your deposit.

Transfers to Third Parties
No more than six pre-authorized, automatic, or telephonic transfers may be made from each savings account or money market deposit account to another account at the Credit Union or to a third party in any calendar month, and no more than three of these six transfers may be made by check, draft, debit card, or similar order payable to a third party. If an Account Holder exceeds, or attempts to exceed, these transfer limits, the excess transfer requests may be refused or reversed, a fee may be imposed on the excess transfer requests, and the Credit Union may reclassify or close the account. Transfers initiated by telephone must be counted among the six monthly transfers, except that there are no limits on the number of withdrawals paid directly to an Account Holder when initiated by mail, telephone or messenger. There are no limits on the number of withdrawals if initiated in person.

Withdrawals, Prior Notice Requirements
The Credit Union reserves the right to require prior written notice of intention to withdraw all or any part of shares not to exceed the notice requirements as set forth in the Credit Union’s bylaws.

Checking Account Agreement

Withdrawals, Approved Methods
Only methods approved by the Credit Union may be used to withdraw funds from a checking account.

Demand Checks
The Credit Union may pay and charge to the applicable checking account, checks drawn by and payable to any person, organization, association or corporation that has been authorized by an Account Holder to be paid, by the provision of MICR encoded information on the account. It is agreed that the Credit Union’s rights in respect to
such checks shall be the same as if it were a check drawn and signed by an Account Holder(s) personally. This authority shall remain in effect until revoked by an Account Holder in writing. It is agreed that the Credit Union shall be fully protected in honoring such checks. It is further agreed that if any such check is dishonored, whether with or without cause, and whether intentionally or inadvertently, the Credit Union shall incur no liability whatsoever, even though such dishonor results in the forfeit of insurance, loss or damage of any kind.

Overdrafts
The Credit Union is under no obligation to pay a check which exceeds the balance in an account; the Credit Union may, however, pay such a check and recover or obtain a refund of the amount of the resulting overdraft plus a service charge from any of the Account Holders of this account, each of whom expressly agrees that each Account Holder is jointly and severally liable for any and all overdrafts of this account and any and all associated costs created by an Account Holder.

Stale-Dated Checks
The Credit Union is under no obligation but may pay a check which is presented more than six (6) months after it is dated. The Credit Union may assess a special handling charge upon receipt of any such item in addition to a service charge upon the account in accordance with the fee schedules adopted by the Credit Union and as amended from time to time.

Stop Payments
Any Account Holder(s) of this account may stop payment of any item drawn against the account. The Stop Payment Order must describe the item with reasonable certainty and must be received in such time and manner as to afford the Credit Union a reasonable opportunity to act upon it. A Stop Payment Order is effective for six (6) months, but it lapses after 14 calendar days if the original order was oral and was not confirmed in writing within that 14 day period. The Stop Payment Order may be renewed in writing for an additional six (6) month period.

Truncation of Checks
The Account Holder(s) acknowledges that checks are truncated and hereby waives any and all rights to receive the items without prejudice to any of the Credit Union's defenses available under the California Uniform Commercial Code (UCC).

Liability of Credit Union
Except for its own lack of good faith or failure to exercise ordinary care, the Credit Union is not liable for any action it takes regarding the payment or nonpayment of a check, even if nonpayment results in the forfeit of insurance, loss or damage of any kind.

Closure of Account
The Credit Union may close a checking account at any time. Closure of a checking account will not affect the obligation to pay any outstanding balances or charges owed.

For Checking Accounts with Share Overdraft Protection
If any Account Holder(s) writes a check that would result in this Checking Account being overdrawn, the Credit Union is authorized to charge the designated share account(s), regardless of which party signed the item, in such multiples as determined by the Credit Union sufficient to permit the Credit Union to honor the check and any associated fees and to credit such charge to this Checking Account. No check overdraft may be paid by charging a share account if, as a result of such charge, that share account would be subject to any one month to more than six pre-authorized, automatic or telephonic transfers.

For Checking Accounts with Loan Overdraft Protection
If any Account Holder(s) writes a check that would result in this Checking Account being overdrawn, and if at that time any Account Holder(s) is eligible to receive loan advances from this Credit Union on a loan designated on the Overdraft Agreement, the Credit Union is authorized to make an advance from the designated loan account, and to credit the advance to this Checking Account in such multiples as determined by the Credit Union sufficient to permit the Credit Union to honor such checking and any associated fees.
